GOODNIGHT DUNE

by Julia Yu

**In the great no-room
There was a floating baron
And a view of two moons
And a picture of -**

ARMARIS
Gwale

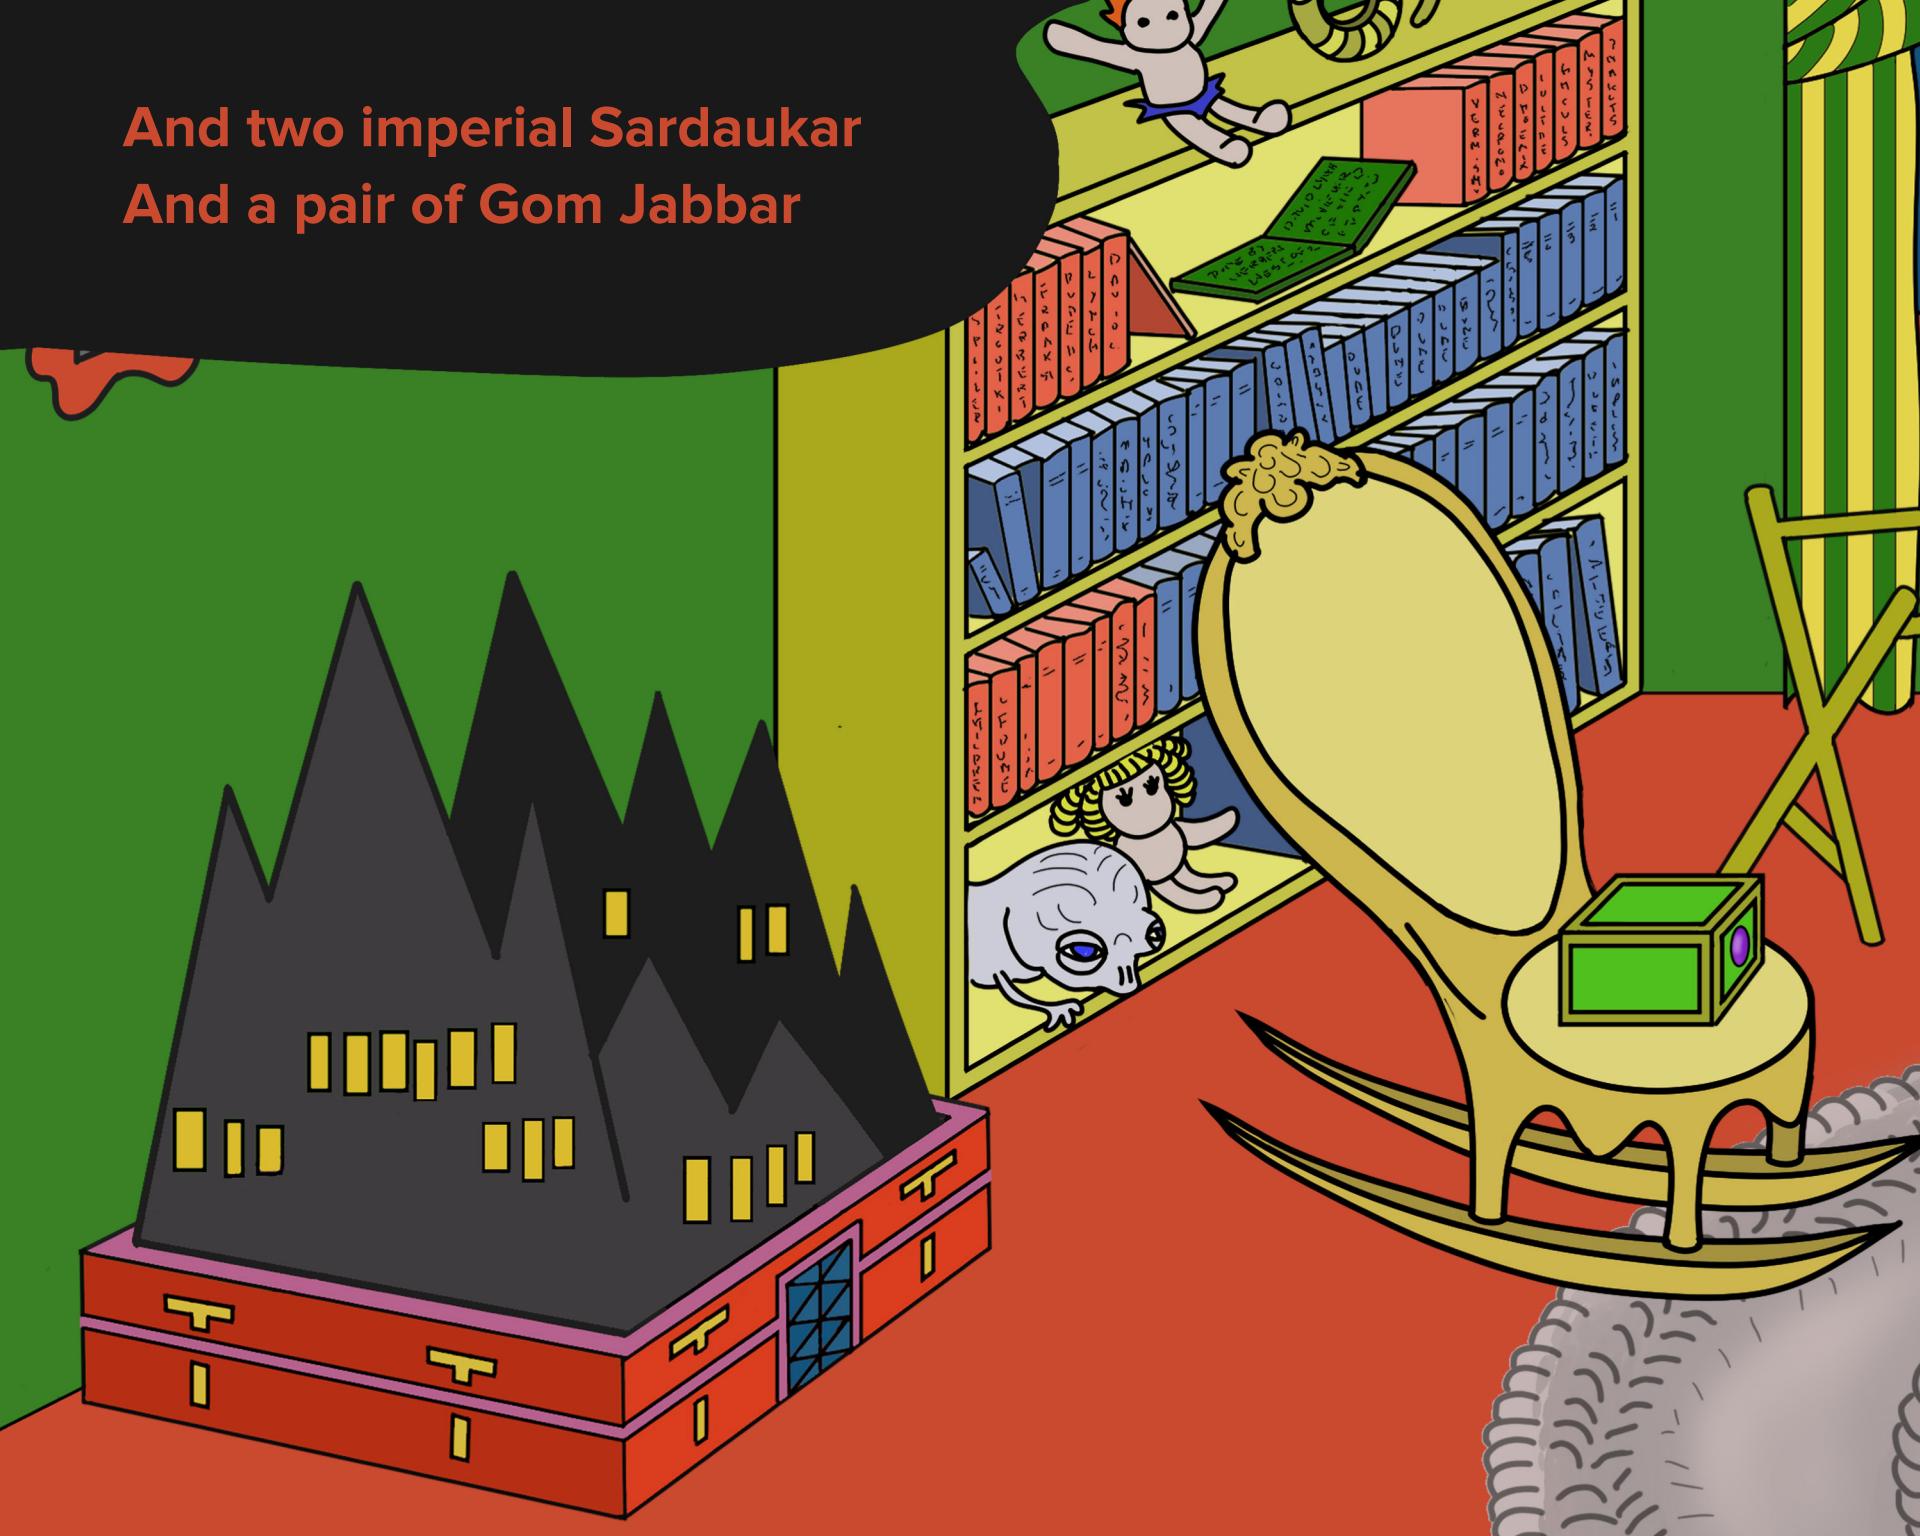

Shai-Hulud bursting out of the dune

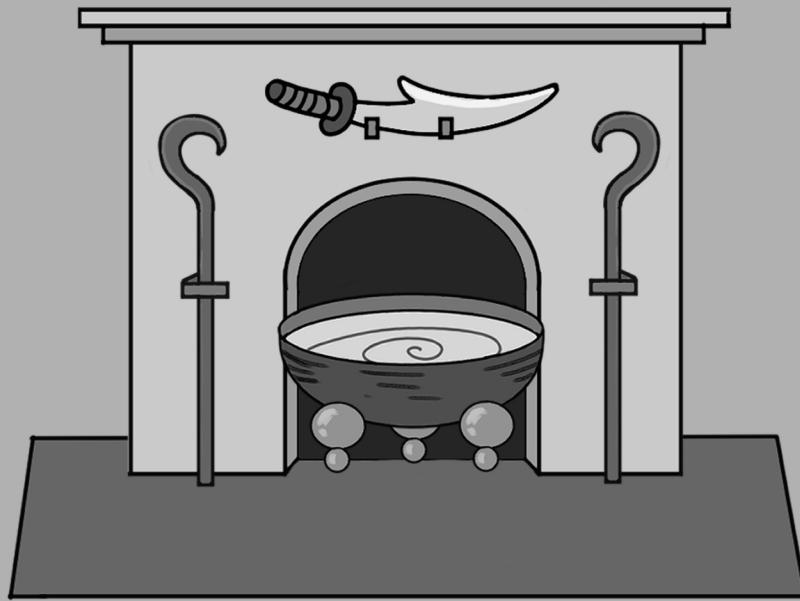

And there were three Fedaykin recruits fighting in stillsuits

**And two imperial Sardaukar
And a pair of Gom Jabbar**

**And a little toy keep
And a young Muad'Dib**

And maker hooks and a crysknife and a bowl full of water of life

And a Bene Gesserit witch whispering “they tried and died”

Goodnight no-room

Goodnight two moons

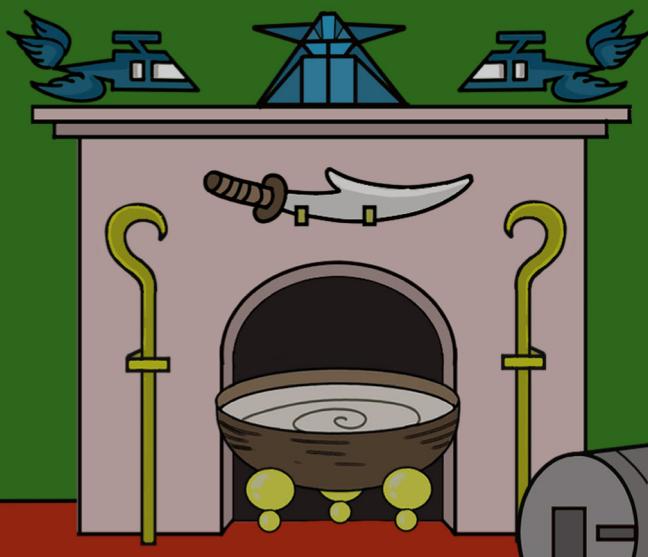

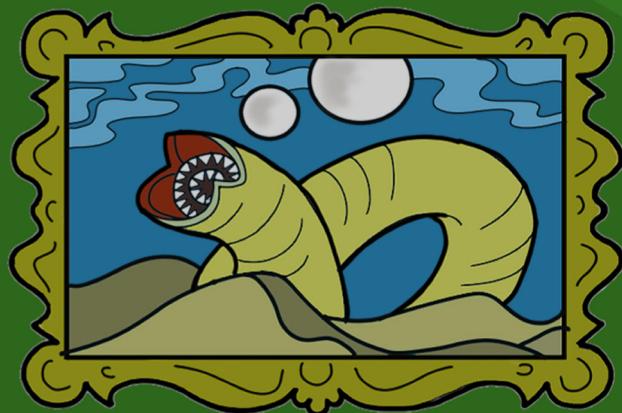

Goodnight Shai-Hulud bursting out of the dune

**Goodnight glowglobe
And the floating baron**

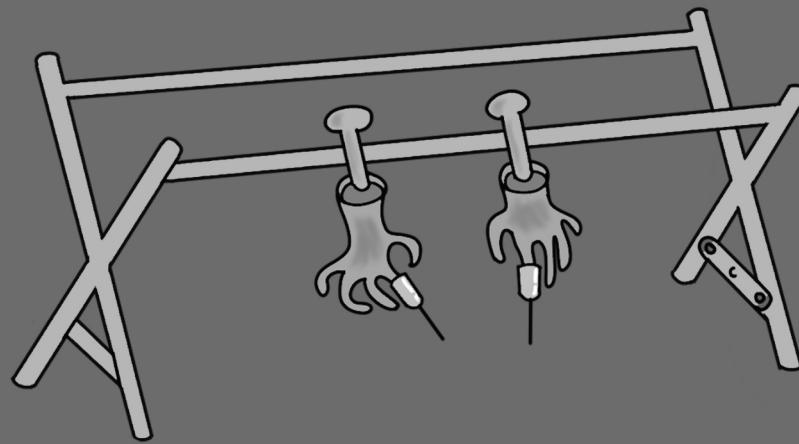

**Goodnight recruits
Goodnight stillsuits**

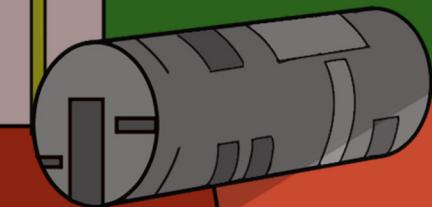

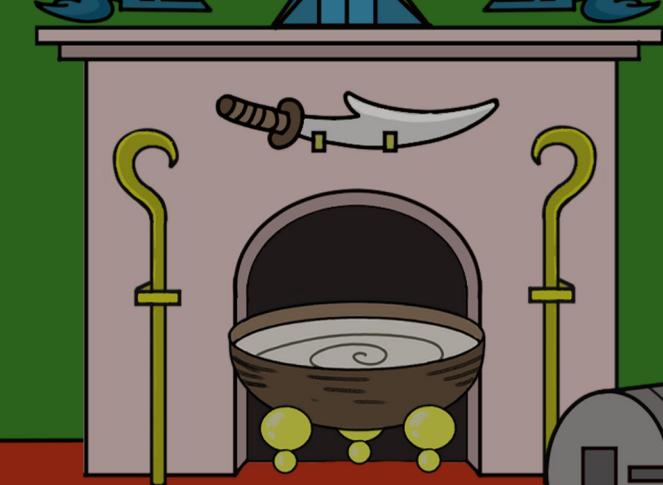

Goodnight Sardaukar

And goodnight Gom Jabbar

**Goodnight Suk doctor
Goodnight ornithopter**

Goodnight little keep

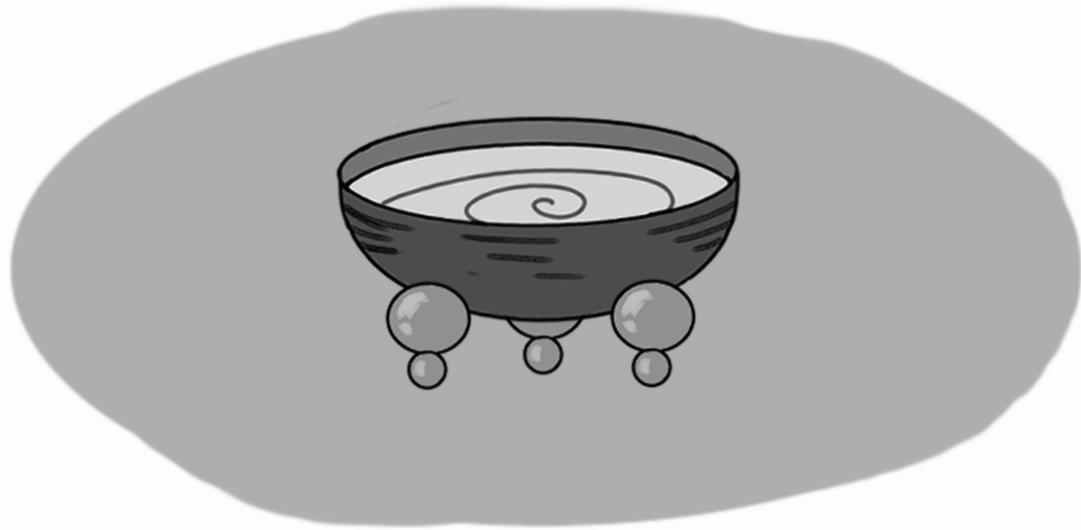

And goodnight Muad'Dib

**Goodnight maker-hooks
And goodnight crysknife**

Goodnight golden path

Goodnight Water of Life

**And goodnight to the Bene Gesserit witch
Whispering “they tried and died”**

Goodnight Sietch Tabr

Goodnight spice flows everywhere
